SKILLS

Programming Language: C++, C#, Javascript, Python

Web Design & Styling: HTML, CSS, Bootstrap, TailwindCSS

Libraries/Frameworks: Django, VueJS, FastAPI

Tools/Platform: Git, Github, Docker, Celery, WebSockets

Database: PostgreSQL, SQLite, MongoDB

WORK EXPERIENCE

Youth Innovation Lab, Baluwatar

Nov 2024 - Present

- **National Disaster Risk Reduction Management Authority (NDRRMA), Ministry of Home Affairs (MoHA)**
 - Coordinated with the NDRRMA team on Bipad Portal.
 - Technical Assistance to the NDRRMA members.
- **Backend Developer**
 - Involved in creating APIs, maintaining security practices, task scheduling, SDLC and managing backend tasks.

Princelabs.org - Python Developer, Intern

Sept 2024 - Oct 2024

- Involved in creating APIs, maintaining security practices, and managing backend tasks.

Queensford College, Australia - Qualification Completion Associate

Aug 2022 - Dec 2023

- Managed student data in **Sandbox**, processed qualifications, and used **Excel** for data analysis, ensuring accuracy and compliance while coordinating across departments.

Ambirise IT Solution, Pokhara - *IT Officer*

Oct 2020 - Mar 2024

- Developed responsive websites with **HTML, CSS, JS, and Bootstrap** and designed marketing visuals using **Photoshop and Illustrator** to enhance digital presence.

PROFESSIONAL EXPERIENCE

Rotaract District 3292, Nepal and Bhutan

Contributed to training **6,447 Rotaractors**, focusing on leadership development and professional skills. My role involved conducting workshops, mentoring members, and fostering personal and professional growth within the Rotaract community.

- **RDC Trainers' Forum** (July 2024 - June 2025)

Rotaract Club of Pokhara University

Led a team of 125 on club operations, organizing community service projects, and fostering leadership among members. I coordinated events, strengthened partnerships, and promoted social impact initiatives, ensuring the club's growth and sustainability.

- **Immediate Past President** (July 2024 - June 2025)
- **President** (July 2023 - June 2024)
- **President Elect / The Rotary Foundation Chair** (July 2022 - June 2023)
- **International Service Chair** (July 2021 - June 2022)
- **Charter IT Officer** (July 2020 - June 2021)

Hult Prize Pokhara University

Led the organization of the on-campus program, coordinated events, and engaged students in entrepreneurship. I managed outreach, partnerships, and logistics to ensure a successful competition, empowering students to develop innovative solutions for global challenges.

- **Advisor** (July 2024 - June 2025)
- **Campus Director** (July 2023 - June 2024)
- **Deputy Campus Director** (July 2022 - June 2023)
- **General Manager** (July 2021 - June 2022)
- **Creative Supervisor** (July 2020 - June 2021)

Hult Prize Nepal Community

Responsible for developing and executing marketing strategies to enhance event visibility and engagement. I managed social media campaigns, coordinated promotional content, and collaborated with teams to maximize audience outreach.

- **Promotions Manager** (July 2021 - June 2022)
- **Graphics Designer** (July 2020 - June 2021)

Sustainability Week Kathmandu

Facilitated collaboration between higher education institutions, promoting sustainability initiatives and student engagement.

- **HEI Lead, Sustainability Week Kathmandu, Nepal** (July 2022 - June 2023)
- **College Director, School of Engineering, Pokhara University** (July 2021 - June 2022)

EDUCATION

School of Engineering, Pokhara University - *Bachelor in Computer Engineering*

Aug 2019 - Aug 2024

SOS Hermann Gmeiner School, Gandaki - *+2 Science*

July 2016 - July 2018

SOS Hermann Gmeiner School, Gandaki - *SLC*

Apr 2015

HONORS & AWARDS

Winner: Won Hult Prize Pokhara University OnCampus Program 2020.

1st Runner Up: Dubai Hult Regional Summits 2023.

License: Registered as a Licensed Engineer by Competitive Exam (Nepal Engineering Council).

PROJECTS

Chat API with Websockets

[Link](#)

Python, Django, REST API, Django Channels, Redis, Celery, Websockets, Redis, Knox Authentication

- Developed a **Chat API with WebSockets** that enables real-time messaging between users. The API facilitates instant communication, supporting multiple users with seamless, live interactions through efficient WebSocket connections with **Authentication** maintained by **Middleware**.

Ecommerce Backend for Sarbam Foods

[Link](#)

Python, Django, REST API, Celery, Docker, PostgreSQL, NGINX, JWT Authentication

- Developed the **Ecommerce Backend for Sarbam Foods using Python, Django, and Django REST Framework**, ensuring a scalable and efficient API. The system integrates **Celery** for task automation, **Docker** for containerization, and **PostgreSQL** for data management, with **NGINX** handling server deployments.

Advanced Assignment Management System with Plagiarism Checker

[Link](#)

Python, Django, HTML 5, CSS 3, Javascript, Bootstrap, MySQL, Canva

- Developed the **Assignment Management System** useful for educational institutions with the feature of **Assignment Plagiarism Checker system**.

Portfolio Fullstack Project

[Link](#)

Python, Django, REST API, PostgreSQL, JavaScript, VueJS, TailwindCSS

- Dynamic personal portfolio website built with **Django Backend** and **VueJS Frontend**.

Futsal Management API Project

[Link](#)

Python, Django, REST API, Django Channels, PostgreSQL, Celery, Docker, Redis

- Developed the **Futsal Management API** with the logic to manage the **player and manager authentication** with **dynamic player rating system** as per the statistics and reviews. Also integrated a common chat room with **authentication middleware**.

CERTIFICATIONS & TRAININGS

Build REST APIs with Django REST Framework and Python

Udemy

- *Building **REST APIs** using **Django REST Framework** and **Python**, focusing on API development, authentication, serialization, and best practices for scalable backend systems.*

Python and Django Full Stack Web Developer Bootcamp

Udemy

- ***Full Stack Web Development** with **Python and Django**, including frontend and backend integration, database management, authentication, and deployment of web applications.*

Master Course in Advanced SEO (Search Engine Optimization)

Udemy

- ***Advanced SEO** strategies, including keyword research, on-page and off-page optimization, technical SEO, and analytics to improve website rankings and visibility.*

Rotaract Leadership Training

Rotaract District 3292, Nepal and Bhutan

- Participated in Leadership Training to enhance communication, collaboration, and project management skills as a Club President.
